

ENGRAVING CHARTS OF ST. JOSEPH BAY AND SHIP
ISLAND INLETS.

CONGRESS OF THE UNITED STATES.

IN THE HOUSE OF REPRESENTATIVES, May 19, 1842.

Mr. JOHN C. CLARK made the following report:

The Select Committee to which was referred the resolution of the House of the 12th May instant, directing the committee to report on the propriety and necessity of printing or publishing the charts of the survey of the Gulf of Mexico, &c., report:

That, in the opinion of the committee, two of said charts, viz: the chart of the bar and bay of St. Joseph, and the charts of Ship Island inlets, ought to be printed.

Resolved, That said committee be instructed to inquire what will be the expense of printing said charts; and that they report thereon to the House.

The report was read, and the resolution therein submitted was agreed to.

Attest:

M. ST. C. CLARK, *Clerk*.

JULY 4, 1842.

Read, and laid upon the table.

Mr. J. C. CLARK, from the Select Committee to which the subject had been referred, submitted the following

REPORT:

The undersigned, the committee appointed under the above resolution, report, that the expense of engraving, on stone, 1,250 (the usual number) each, of the charts referred to in the resolution, will be \$880, and that the committee have contracted with P. Haas to lithograph them for that sum.

J. C. CLARK,
EDW. CROSS,
B. G. SHIELDS,
Committee.

JUNE 21, 1842.

ENGRAVING CHARTS OF ST. JOSEPH BAY AND SHIP ISLAND IN THE DISTRICT OF COLUMBIA

CONGRESS OF THE UNITED STATES
In the House of Representatives, May 19, 1842.
Mr. John C. Clark made the following report:
The committee to which was referred the resolution of the House of the 14th May in relation to the survey of the Gulf of Mexico, &c., reports with pleasure and satisfaction that the committee, two of said charts, viz: the chart of the bay and ship island, and the chart of ship island inlet, ought to be printed.

That said committee is instructed to inquire what will be the expense of printing said charts, and that they report thereon to the House.
The report was read, and the resolution therein contained was agreed to.

July 4, 1842.
Read and laid upon the table.
J. C. Clark, from the Select Committee to which the subject had been referred, submitted the following

REPORT:
The committee appointed under the above resolution, and charged with the duty of ascertaining the expense of engraving, on stone, 1,250 (the usual number) of the charts referred to in the resolution, will be \$250, and that the committee have contracted with P. Harris to lithograph them for that sum.
J. C. CLARK,
EDW. CROSS,
R. E. SHIELDS,
Committee.

July 21, 1842.
The committee on the subject of the charts referred to in the resolution of the House of the 14th May, in relation to the survey of the Gulf of Mexico, &c., reports with pleasure and satisfaction that the committee, two of said charts, viz: the chart of the bay and ship island, and the chart of ship island inlet, ought to be printed.
